"Ian MacKinnon has represented my company for the past year, guiding me through the various steps necessary to receive fair compensation from the City for using a portion of my land to build a road. Ian is quick to respond to correspondence from the City, and was always thorough in his explanation to me of the matters at hand. I am confident that Ian's thorough approach to my file has given me, and will continue to get me the fairest compensation possible."

— Frank Born (452195 B.C. Ltd.)

"Ian and the associates at RDM have been great at helping my business to navigate through the expropriation process with the City of Abbotsford."

— Dan Trayler (Dan's Nurseryland Inc.)
